SUMMARY
Kartik Bhatt is a Mid-level analyst with 3.2 years of experience delivering SharePoint Online solutions and automation at KPMG. He has led end-to-end migrations, governance, and large-scale content management projects that saved over 2,000 hours annually.

EDUCATION
Maharaja Surajmal Institute | Bachelor of Computer Applications | Majors: Computer Science, GPA: 9.3/10 (Top 1%) Jul'19 – Aug'22

WORK EXPERIENCE 3.2 Years Experience

KPMG | Analyst | Gurugram May'24 – Present

- Designed and delivered a Power Platform solution that leveraged SharePoint lists, Power Automate flows, Power Apps, and Power BI dashboards to support 20,000 annual outreach to 30+ member firms across 13 sectors, delivering a 1,200-hour annual time saving.
- Engineered an end-to-end migration from Excel-based data collection for more than 45 pillars into automated SharePoint Online list integration, including three Power Automate flows for alerts, change management, data migration, and permission governance.
- Managed over 50 SharePoint Online governance and administration requests, covering term store configuration, metadata, and permission level management.
- Implemented a contact management system in SharePoint Online for more than 10,000 KGS members, centralizing data access.
- Uploaded more than 5,000 content assets across three content types into 15 SharePoint libraries, ensuring compliance with brand standards.
- Awarded 'KUDOS' for applying Lean Six Sigma methodology that saved more than 2,000 hrs annually through SharePoint and automation solutions.

GlobalLogic Technologies Private Limited | Associate Analyst | Gurugram Sep'22 – Oct'23

- Created best practices, process documentation, and QA processes for a Google project building test and main datasets for GenAI training used to search content on Android screens.
- Piloted a project to extract relevant answers from multi-level documents to build an AI training dataset.
- Designed and implemented QA processes for data entry, reducing errors by 25% and improving data accuracy.
- Led three pilot projects, securing all of them while competing with major MNCs.

SKILLS

SharePoint Online	Power Automate	Power Apps	Power BI
MS Excel	Copilot GenAI (Agents)	Copilot Studio	SQL
