

SUMMARY

Power Platform specialist with 3+ years of experience building end-to-end automation solutions using Power Automate, Power Apps, and SharePoint. Proven track record of saving over 2,000 hours annually through workflow optimization and data migration projects at KPMG. Skilled in translating complex business processes into automated flows and creating comprehensive documentation, aligning with the technical and instructional requirements of a Power Automate training role.

EDUCATION

Maharaja Surajmal Institute | Bachelor of Computer Applications | Majors: Computer Science, GPA: 9.3/10 (Top 1%) Jul’19 – Aug’22

WORK EXPERIENCE

3.2 Years Experience

KPMG | Analyst | Gurugram May’24 – Present

- Designed and deployed multiple Power Automate flows to automate data collection and alert systems, migrating legacy Excel processes to SharePoint Online lists and saving 1,200 hours annually.
- Developed a complete Power Platform solution integrating Power Automate, Power Apps, and Power BI to manage 20,000 annual outreach interactions across 30+ member firms, streamlining workflow execution.
- Implemented 3 distinct Power Automate flows for change management, data migration, and permission governance, ensuring robust data integrity and automated compliance checks.
- Awarded 'KUDOS' for migrating legacy VBA and Excel practices to a GenAI-focused solution using Power Automate agents, demonstrating advanced workflow design and modernization capabilities.

GlobalLogic Technologies Private Limited | Associate Analyst | Gurugram Sep’22 – Oct’23

- Created comprehensive process documentation and QA standards for data manipulation projects, ensuring clarity and reproducibility for technical teams.
- Designed and implemented QA processes for data entry and workflow execution, reducing errors by 25% and improving overall data accuracy.
- Collaborated with onshore stakeholders to refine project workflows, improving project quality metrics from 74% to a steady 95%.

SKILLS

Power Automate	Power Apps	SharePoint Online	Power BI
Copilot GenAI (Agents)	Copilot Studio	MS Excel	SQL
