Maharaja Surajmal Institute | Bachelor of Computer Applications | Majors: Computer Science, GPA: 9.3/10 (Top 1%) Jul’19 – Aug’22

WORK EXPERIENCE

3.2 Years Experience

KPMG | Analyst | Gurugram

May’24 – Present

- Built Power BI dashboards as part of a complete Power Platform solution that facilitated 20,000 annual reachouts across 13 sectors, saving 1,200 hrs. annually.
- Automated migration of legacy Excel-based data for 45+ pillars to SharePoint Online lists using three Power Automate flows, improving data governance and reducing manual effort.
- Developed VBA-macro solutions to refresh a global repository of 30,000+ assets, delivering a time saving of more than 485 hrs. per year.
- Created a multi-modal Copilot agent for data cleaning and metadata tagging, cutting manual processing time by 325 hrs. annually.
- Handled 100+ RFP/RFI requests and built over 100 internal SharePoint site pages, ensuring brand compliance and rapid information delivery.

GlobalLogic Technologies Private Limited | Associate Analyst | Gurugram

Sep’22 – Oct’23

- Designed QA processes for a Google GenAI training dataset, reducing data entry errors by 25% and boosting accuracy.
- Managed documentation and compliance for 10+ projects, streamlining stakeholder access and audit readiness.
- Collaborated with onshore stakeholders to raise project quality scores from 74% to a consistent 95%.
- Performed QA on more than 500 data pieces weekly, ensuring high-quality deliverables for AI training pipelines.
- Led three pilot projects that secured all initiatives against competition from major MNCs.

SKILLS

Power BI	Power Apps	Power Automate	SharePoint Online
