Target Role: MS Excel tutors in Sector 80, Gurugram | **Company:** Teacheron

Subject: Application for MS Excel tutors in Sector 80, Gurugram - KARTIK BHATT

Dear Hiring Team,

I am writing to apply for the MS Excel Tutor position at Teacheron in Sector 80, Gurugram. My three-plus years of hands-on Excel automation at KPMG, combined with a proven ability to develop training resources, make me a strong fit for helping students master Excel.

At KPMG I built VBA-macro tools that refreshed a 30,000-asset repository, saving 485 hours each year, and delivered a Power Platform solution that supported 20,000 annual outreach activities. These projects required deep Excel expertise, data modeling, and the ability to convey complex concepts to diverse stakeholders-skills directly transferable to classroom instruction.

My technical toolkit aligns closely with the role's requirements: expert-level MS Excel, extensive experience with VBA-based automation, Power Automate, Power Apps, Power BI, SharePoint Online, and Copilot GenAI tools. I have also leveraged SQL for data extraction, further enriching the Excel-centric curriculum I can offer.

Thank you for considering my application. I am eager to bring my Excel proficiency and teaching enthusiasm to Teacheron and am available for an interview at your convenience.

Warm regards,

KARTIK BHATT
