Subject: Application for IN-Manager-Power BI-Data and Analytics-Advisory-Gurgaon - KARTIK BHATT

Dear Hiring Team,

I am writing to apply for the IN-Manager-Power BI-Data and Analytics-Advisory position at PwC Gurgaon, where my extensive experience building Power BI dashboards and Excel-based automation aligns directly with the role's core requirements.

At KPMG I delivered a Power Platform solution that incorporated Power BI dashboards and reached 20,000 contacts annually, saving 1,200 hrs. each year; additionally, my VBA-macro automation refreshed a 30,000-asset repository, cutting 485 hrs. of manual effort, and overall I saved more than 2,000 hrs. annually through integrated Power BI, Power Automate, and Copilot tools.

My skill set includes Power BI, MS Excel, Power Automate, Power Apps, and SharePoint Online, complemented by proven stakeholder management across 13 sectors and data-analytics advisory work such as Audit Market Share analysis-exactly the capabilities highlighted in your job description.

I am eager to bring this blend of analytics, advisory, and automation expertise to PwC and am available to discuss how I can contribute to your team at your earliest convenience.

Warm regards,

KARTIK BHATT
